

## Bristol City Council – Licence fee calculator

Properties up to five units per building attract a standard fee of £368 and an additional charge is made for additional households at the rate of £33 per household.

Each person involved in the in the management of the property and any key holders will require a fit and proper person check. The fit and proper check only needs to be carried out once every five years. Therefore if you manage or are involved in the management of more than one property you only need to make one fit and proper person application (£33).
